

# The Best Residential Architects in Palo Alto, California

## Maydan Architects

713 Southampton Dr., Palo Alto, CA 94303

Before founding Maydan Architects, Mary Maydan was an accomplished journalist. Her courageous career move to architecture brought Palo Alto one of its leading firms. Publications like *BVD Design Magazine*, *South Bay Accent*, *Wall Street Journal*, *Dwell Magazine*, *Home + Garden Design*, *SF Chronicle*, and *Elle Decor* have featured Maydan Architects' impressive home designs.

This 4,900-square-foot home is one of Maydan's most celebrated works. It touts a modern-minimalist design, including its materials and the color palette. Both local and international publications have heaped praise on the home.
